**INFORMATION DISCLOSURE STATEMENT**

Sir:

The undersigned, on behalf of Applicant, herewith further complies with the duty of candor and good faith before the United States Patent and Trademark Office by disclosing to the Office the information/document set forth in attached Form PTO/SB08A.

Though 37 CFR §1.56 specifically dictates that there is "no duty to submit information which is not material to the patentability of any existing claim," all information known to the undersigned and applicant is submitted herewith out of a sense of precaution to preclude/forestall any future issues of alleged bad faith or the like should a patent granted upon this application be subsequently court-tested.

Further to our Information Disclosure Statement filed on December 22, 2005, the foreign patent as attached and listed in the enclosed PTO-SB08A form was discovered by our associate during the prosecution of the equivalent European patent application but was not cited thereagainst.

Very respectfully,

DILLER, RAMIK & WIGHT
